

Student Worksheet

Artificial Nest Project

Mongolia

1. Do saker falcons build their own nests?
2. How many pairs of saker falcons occupied the artificial nests in 2014?
3. What do saker falcons eat?
4. Why do you think saker falcons prefer to nest in closed boxes?
5. How many Mongolian soums have artificial nests?
6. What prevented saker falcons breeding on the Mongolian steppe prior to artificial nests being erected?

Why were 5000 nests erected on the Mongolian steppe?
Create a presentation to explain your answer

Draw an artificial nest

Why do falconers prefer falcons taken from the wild?
Explain
